(a) *Application for a Direct Subsidized Loan or a Direct Unsubsidized Loan.* (1) To obtain a Direct Subsidized Loan or a Direct Unsubsidized Loan, a student must complete a Free Application for Federal Student Aid and submit it in accordance with instructions in the application.

(2) If the student is eligible for a Direct Subsidized Loan or a Direct Unsubsidized Loan, the Secretary or the school in which the student is enrolled must perform specific functions. Unless a school's agreement with the Secretary specifies otherwise, the school must perform the following functions:

(i) A school participating under school origination option 2 must create a loan origination record, ensure that the loan is supported by a completed Master Promissory Note (MPN), draw down funds, and disburse the funds to the student.

(ii) A school participating under school origination option 1 must create a loan origination record, ensure that the loan is supported by a completed MPN, and transmit the record and MPN (if required) to the Servicer. The Servicer initiates the drawdown of funds. The school must disburse the funds to the student.

(iii) If the student is attending a school participating under standard origination, the school must create a loan origination record and transmit the record to the alternative originator, which either confirms that a completed MPN supports the loan or prepares an MPN and sends it to the student. The Servicer receives the completed MPN from the student (if required) and initiates the drawdown of funds. The school must disburse the funds to the student.

Unless a school's agreement with the Secretary specifies otherwise, the school must perform the following functions: A school participating under school origination option 2 must draw down funds and disburse the funds. For a school participating under school origination option 1 or

standard origination, the Servicer initiates the drawdown of funds, and the school disburses the funds.

(c) *Application for a Direct Consolidation Loan.* (1) To obtain a Direct Consolidation Loan, the applicant must complete the application and promissory note and submit it to the Servicer. The application and promissory note sets forth the terms and conditions of the Direct Consolidation Loan and informs the applicant how to contact the Servicer. The Servicer answers questions regarding the process of applying for a Direct Consolidation Loan and provides information about the terms and conditions of both Direct Consolidation Loans and the types of loans that may be consolidated.

(2) Once the applicant has submitted the completed application and promissory note to the Servicer, the Secretary makes the Direct Consolidation Loan under the procedures specified in § 685.220.
